Rob: They gave you suggestions, ideas about?

Songe: Um, for example, there was a show for example, I don't know, in Quimper for this show you can see what's, what's working and what's not working and how you feel, and you can improve your, your show for the next one, and, yes, so

Rob: Very helpful then for you?

Sonche: Yeah

Rob: and what differences have you made then after the L???? Charrues support?

Sonche: The show improved, like the sound, the lights, there was also singing lessons, so that was nice too.
